

KONGU ENGINEERING COLLEGE, PERUNDURAI, ERODE-638 060

Ref: KEC/PRL/CIR-200/2021-22

January 21, 2022

CIRCULAR

Government of India organizes a Mega Event "**Smart India Hackathon 2022**". It is an initiative of Government of India to help various government departments; private organisations to get solutions for some of their pressing problems through students. It is a non-stop digital product development competition, where problems are posed to technology students for innovative solutions. In this connection, HoDs are requested to instruct their faculty and students to visit the website given below:

Link: <https://www.sih.gov.in/sih2022PS>

and send a minimum top 5 solutions per department to abi@kongu.ac.in on or before 05.02.2022.

For any queries contact: Dr.T.Abirami/IT and Ms.K. Karthika / CT-PG

Note:

- **Minimum five teams from each department have to submit their solutions**
- Per batch 6 members including mentor and **atleast one female student**
- Members from **different branches** will be encouraged to **form a team**
- Each team needs a unique team name (mandatory)
- **Software edition** of the Hackathon is digital product development competition where majority of the team members **MUST** be well versed with programming skills
- **For Hardware edition**, members may be from multi-disciplinary teams mix of Mechanical Engineers, Electronic Engineers, Product Designers and Programmers, etc.
- A team **will not be able** to make multiple idea submissions **for final registration**
- **Internal Hackathon** tentative date : 24.02.2022 (Tentatively, the hackathon will be organized physically depending upon the restrictions of COVID-19 pandemic)
- Internal Hackathon will be conducted by our institution but **certificate will be provided by Government**
- After Internal Hackathon, **15 teams will be registered** in the Smart India Hackathon 2022 portal
- **Finale on March 2022**
- **Team Leader should submit details in the following Link::**
